

2nd March 2022

Dear Parent/Carer

Hylands School Aspire Event - Thursday 3rd March

I am pleased to be able to inform you that we will be holding an in-school event designed to inspire and inform students in Year 12 about their future. The all-day event, on Thursday 3rd March, is designed to inform students about the opportunities available to them post sixth form and particularly about opportunities at top universities, our local universities and degree apprenticeships.

Our intention is for the students to experience talks from competitive universities and apprenticeship providers, and inform them about their options and dispel myths and misconceptions surrounding Higher Education and Careers.

We hope that the day will prove to be informative and aspirational for all of our year 12 students.

Our intention is for this event to be followed by two further events later this academic year, our annual year 12 'Next Steps' week and a trip to a UCAS Exhibition held at the University of Essex. More information will follow regarding these events.

Yours faithfully

Mr Hewlett
Head of Sixth Form
