

2nd March 2022

Dear Parents and Carers

Invitation to Online Careers Summit

I wanted to let you know about a free online Careers Summit hosted by GT Scholars.

The Careers Summit will take place online on **Saturday 5th March 2022** from 9:30am to 3:00pm, and is open to all parents and young people aged 13-18. You do not have to attend the whole day as parents and young people can choose which sessions they would like to attend.

Your child can learn from professionals from a range of universities and corporate organisations such as Barclays, NHS, University College London, The Penny Group, ExTrac, the University of Birmingham and BRIT Insurance. This event will give young people an idea of the careers that are in high demand and how they can start to develop their own career pathway.

It will be a valuable experience for our students to inspire them towards further study and enable them to make informed decisions about their future career pathway. It helps them to understand enough about the world of work to know what skills they need to succeed. There will also be a live Q & A session with the panel of speakers of each session who will answer any questions you may have.

If you would like to attend, the free tickets must be booked online at:

Best wishes,

Yours Sincerely
